**INTERVIEW SUMMARY OF
TELECONFERENCE CONDUCTED ON MAY 23, 2005**

Dear Sir:

Applicants provide this Interview Summary of a teleconference conducted between Examiner Walsh and Applicants' representative, Manish Vyas, on May 23, 2005, regarding the above-referenced patent application. During the referenced teleconference, Examiner Walsh indicated that claim 37 of the application incorrectly depended from itself. To resolve this error, Examiner Walsh proposed and Mr. Vyas agreed to an Examiner's Amendment by which claim 37 was amended to depend from independent claim 34. This amendment is correctly reflected in the Examiner's Summary presented in the Office Action mailed on May 27, 2005.

Conclusion

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Date: June 27, 2005

Manish Vyas
